NEGAHBAN

FIRE & SAFETY Co.

About us:

Negahban Fire & Safety Co. established in 1981 as the first Iranian manufacturer and supplier of industrial firefighting equipment. Since then it has developed continuously and become one of the most reputable Iranian firefighting companies in the field of oil, gas and petrochemical industries.

Along with domestic manufacturing, Negahban has been in connection with international companies able to supply wide range of firefighting products for oil industry.

As the old member of Society of Iranian Petroleum Industries Equipment Manufacturers (S.O.P.I.E.M), Negahban is now included in the approved vendor list of the most renowned contractors and end user companies.

Negahban as the pioneer and knowledge enterprise company is honored that its products have been installed in most sites and plants in Iran. Satisfaction of clients during the years has caused Negahban to move forward manufacture updated firefighting products and give excellent after sales service.

VALVES

GATE VALVE

Valves are one of the most important parts of firefighting equipment. They are made of Copper Alloy material in accordance to BS 5041 and confirm to BS 336 for outlet connection.
